I. CARE, MAINTENANCE, AND SAFETY INFORMATION

Intended Use

This pool table is designed for indoor home use only. Exposure to outdoor elements, such as sunlight or moisture, can damage the table's surface and frame.

Safety Instructions

1. Avoid Sitting, Climbing, or Leaning on the Table
2. The table is not designed to support the weight of people. Sitting, climbing, or leaning on it could cause damage or result in injury.
3. Follow the instructions for correctly folding and unfolding the table. Secure any latches or locks after setup or folding to prevent accidental collapse or damage.
4. Avoid placing food, drinks, or heavy objects on the playing surface, as spills and weight can damage the felt and impact game quality.

Care and Cleaning

1. Use the supplied brush to dust off the felt playing surface. Avoid using any cleaning agents directly on the felt, as this can degrade the material.
2. Do not use a wet rag on the felt.
3. Do not use abrasive cleaning solutions.

Storage

1. When the table is not in use, fold it carefully and store it in a dry, indoor location, away from direct sunlight or sources of moisture.
2. For relocating the table, lift and tilt the table onto the transportation wheels and move to the designated location. Do not drag the table as this can damage the legs.

Regular Maintenance

Check for Loose Bolts and Screws.

Periodically check that all screws, bolts, and hinges are tightly secured. If any components become loose, tighten them promptly to maintain stability.
